

The annual Rotary/Park and Rec Arbor Day Tree Give-away is still on for Saturday April 4 at Smitty's Ace Hardware parking lot. The event will begin at 9:00 AM and will continue until all the trees are given away. In keeping with the times, this will be a drive thru event. Please research the varieties you desire and be ready to place your order with the attendant and they will pick them up and deliver them to your car. There is no limit on the number of trees you may order, but please don't order more than you can plant in a short period of time.

The bare root trees to be given away are: Flame Amur Maple, Service Berry, Special Select River Birch, Green Ash, Little Leaf Linden, Colorado Spruce, European Mountain Ash, Red Osier Dogwood.

This popular event sponsored by the Hermiston Rotary Club and the City Parks and Recreation Committee is going forward at this time because the trees have been pulled, are being held for us under refrigeration and a later date could result in poor survival.
