

# Community Action Program East Central Oregon

- Do you live in Umatilla, Morrow, Gilliam, or Wheeler County?
- Could you or someone you know use a little extra help with your past/current/future heating & cooling bills?
- Do you need help filling out your energy application?

NO NEED TO WORRY!

Even though our offices are still temporarily closed to the public, we continue providing help and assisting everyone by phone, mail, email, fax, text message or we have a drop box at both locations.

Community Action Program of East Central Oregon can help!
